SUBMISSION OF SUBSTITUTE SEQUENCE LISTING

SIR:

Applicants enclose a substitute computer readable form of the Sequence Listing and a substitute paper copy of the Sequence Listing to correct errors in the Sequence Listing. Specifically, Applicants have added SEQ ID NOs: 37-45 that were inadvertently omitted from the original Sequence Listing. SEQ ID NOs: 37-45 can be found at pages 231, 234, 237, and 240 of the specification. Applicants have also amended SEQ ID NOs: 19 and 20 in the Sequence Listing to add an inadvertently omitted "G" and "C" at the end of the sequences, respectively. The correct sequences are disclosed on page 190 of the specification. Additionally, the sequence representing SEQ ID NO: 36 in the original Sequence Listing was incorrect and has been replaced with that disclosed in the specification at page 205. Thus, no new matter has been added.

In connection with the Substitute Sequence Listing submitted concurrently herewith, the undersigned hereby states that:

1. the submission does not include new matter; and
2. the content of the paper copy of the Substitute Sequence Listing and of the computer readable copy of the Substitute Sequence Listing are the same.

Should any fees be required to comply with this requirement, please charge our deposit account 06-0916.

Respectfully submitted,
